Mr Witold Kozłowski
Marshal
Malopolska Voivodeship

Dear Marshal,
Dear Friend,

Thank you so much for having privileged me with the Award of the Honorary Citizenship of Malopolska Region and Polonia Minor, a gesture I greatly appreciated, and that I consider a mark of our deep bond of friendship. I consider myself fortunate to have met such an outstanding person as you.

With Krakow & Malopolska 2023 we have lived together a unique experience and shown how Poland is more than capable of hosting major, international multi-sport events, something that will hold your country in good stead with the proposed bid for the Olympic Games.

And let me once again express my immense gratitude to you for your involvement and support for the hugely successful Krakow & Malopolska 2023 European Games, for which a large share of the credit is yours.

With EurOlympic greetings!

Spyros Capralos
